1. When the night has come and the land is dark
 And the moon is the only light we'll see.
 No I won't be afraid, no I won't be afraid
 Just as long as you stand, stand by me. So darlin', darlin'

CHORUS

Stand by me, oh oh stand by me,
 Oh stand, Stand by me, Stand by me.

2. If the sky that we look upon should tumble and fall,
 And the mountain should crumble to the sea.
 I won't cry, I won't cry, no I won't shed a tear,
 Just as long as you stand, stand by me. So darling, darling

CHORUS

Stand by me, oh oh stand by me,
 Oh stand, Stand by me, Stand by me.

1. Such a feeling's comin' over me
There is wonder in most everything I see
Not a cloud in the sky Got the sun in my eyes
And I won't be surprised if it's a dream

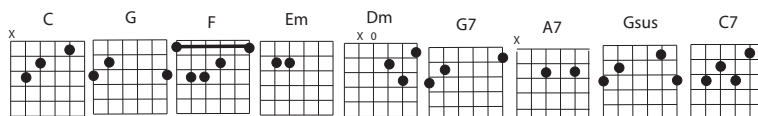

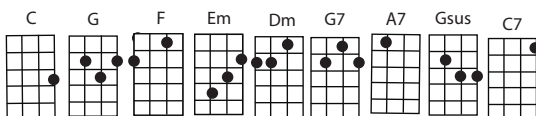

2. Everything I want the world to be
Is now coming true especially for me
And the reason is clear, It's because you are here
You're the nearest thing to heaven that I've seen

CHORUS

I'm on the top of the world lookin' down on creation
And the only explanation I can find
Is the love that I've found ever since you've been around
Your love's put me at the top of the world

3. Something in the wind has learned my name
And it's tellin' me that things are not the same
In the leaves on the trees, and the touch of the breeze
There's a pleasin' sense of happiness for me

4. There is only one wish on my mind
When this day is through I hope that I will find
That tomorrow will be, just the same for you and me
All I need will be mine if you are here

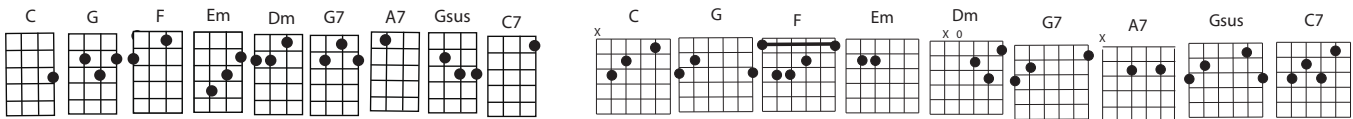

Top Of The World- Page 2

CHORUS

I'm on the top of the world lookin' down on creation
And the only explanation I can find
Is the love that I've found ever since you've been around
Your love's put me at the top of the world
